ZOOM AIR ADVENTURES OPENS AT THE CENTRAL FLORIDA ZOO & BOTANICAL GARDENS

The Central Florida Zoo & Botanical Gardens is pleased to announce the grand opening of ZOOM Air Adventures at the Zoo. ZOOM Air Adventures is an aerial adventure course that will allow you to explore the tree tops from an animal's perspective. Explore one or all of the three tree top courses available!

"This is an exciting addition to the Central Florida Zoo & Botanical Gardens," said Joe Montisano CEO. "Families can "ZOOM" from tree to tree using rope bridges, zip lines, suspended disks and a variety of unique systems for this exciting addition to the Zoo. Guests will immerse themselves in the canopy of the forest, much like an animal would pass through the trees and view the world," he went on to say.

This entertaining, yet educational adventure will allow nature lovers and challenge seekers alike an opportunity to enjoy the thrill of adventure in Central Florida. Participants must be 54" tall to take part in the course. Prices for ZOOM Air Adventures start at \$20.00 for the Upland Course and \$35 for the Upland and Rainforest Courses combined. There are also other combination packages to choose from including adding a day at the Zoo into your adventure. A kid's course is also available with a height requirement of 36" up to 54" for \$12.00.
